PROFESSIONAL PROFILE

Supervising construction inspector leading H2Ou's Los Angeles region field team. Martin came to inspection from 12 years as a pipe fitter and construction foreman installing 6- to 12-inch PVC and ductile iron water mains, fire hydrants and double check detector assemblies, and now brings that hands-on background to plan review, daily field inspection, contractor coordination, safety compliance and mentoring of inspectors across H2Ou's Southern California projects.

QUALIFICATIONS AT A GLANCE

CERTIFICATIONS

- OSHA 10 and OSHA 30
- First Aid
- Forklift operator | Pipe fitter

CONSTRUCTION BACKGROUND

- Pipe fitter and construction foreman
- 6- to 12-inch PVC and DIP main installation
